### A Capital Campaign for the Northwest Synod of Wisconsin

The capital campaign initiated by our synod seeks to keep us moving forward in faith. To do that the three-year appeal invites us (people of HOPE) to participate in ways that are meaningful to us, individually and corporately.

Recently we shared the need for funds that will help the event, **"Walking Together"** continue to make an impact for this synod and its congregations. This appeal also supports is the **financial health of seminary graduates.**

Another area of growth for the synod is the establishment of an **endowed fund.** With such a fund rostered and lay leaders can access leadership development grants. These grants can be used for a variety of training and educational opportunities, intended to better prepare and equip rostered leaders to lead their communities of faith as they live out God's transformational Word in the world. Through empowering those in leadership throughout our synod we can more effectively proclaim Jesus' message of love and reconciliation to the world.

Prayerfully consider being a part of our synod's three-year campaign.

Local artist, Audrey Martin has painted her rendition of HOPE from the back pond. We will be hosting a guided painting night for ages 10 and up on Aug. 23rd immediately following the worship service at 7 PM at church. The fee is \$45 a person and you will have an original piece of art work to take home with you at the end of the evening!

Please consider joining us on Aug. 23 to create your own version of HOPE by the pond! Everything is provided: pre-traced stretched canvas, brushes, paints, easels, tablecloths and aprons. It's a fun activity and Audrey is an excellent teacher who will take us step by step, while still allowing everyone to make their painting their own. The original
