# KIDS & TEENS IN GRIEF

## AGES 5-18

### YOU'RE NOT ALONE

When kids and teens hurt, we hope a band-aid and a hug will rid them of their pain. While this may work for a scraped knee, youth experiencing the death of a family member or close friend have wounds that go much deeper. With the help of a support group for kids and teens, families can work through their feelings of loss with the help of others in similar situations.

### WE CAN HELP

Through participation in a support program, kids, teens, and caregivers alike learn they are not alone in coping with the painful reality of death.

Our trained facilitators will address each young person's needs, according to their age, maturity, and the complexities of their loss. They help the youth:

- Experience the pain of grief
- Accept the reality of their loss
- Discover new ways to cope in the absence of their loved one
- Reinvest energies in everyday activities
- Learn to love and trust again

### ACKNOWLEDGE, PROCESS AND HONOR YOUR GRIEF

Each session focuses on specific objectives and offers activities that are educational and supportive. The five-week program encourages kids and teens with opportunities to express their grief through art, music, photographs, and group discussion.

**HOPE LUTHERAN**

*Hope Journeys Forward*

Dear HOPE,

As we get into the swing of indoor worship, please remember that our Ministry Council is requiring that ALL worshipers wear masks before, during, and after the service. The only exception is for the worship leaders or those making announcements - while they are up front. You may also drop your mask for taking communion from your seats. Remember to thank your friends if they happen to need to remind you. I appreciate your attention to this detail as we try our best to protect our whole faith community.

Sincerely,  
Keith Getschel  
HOPE President

## IMPORTANT SAFETY INFO FOR WEDNESDAYS @ HOPE THIS WEEK!

**OUR CURRENT POLICY REQUIRES MASKS WHEN INDOORS AT HOPE.** So, please make sure your child brings their mask and wears it over their nose and mouth during our time together. We plan for our FA kids to be in the main sanctuary area and our smaller confirmation group will meet in Eidskog with windows open for ventilation during the overlapping time with FA. We really appreciate your understanding and cooperation in keeping our youngest saints safe at this time. **In the event the rain stops, we will try to be outside, so please dress for the weather.**

On Wednesday evenings our K-10th grade youth meet for worship, learning, service projects, and activities!

### Our weekly schedule is:

**6:00-6:30** Opening Worship and Theme Intro

**6:30-7:00** Faith Adventures (pre-K-5th Grade children)

**6:30-7:30** Confirmation Ministry (6th-9th grade,

### Farm Fresh Eggs!

Help support our youth going to the National Youth Gathering in Minneapolis in July, 2022.

Eggs are raised at Jeff & Karen Rodewald's with a suggested donation of \$3/dozen.

They are located just inside the church with a donation jug sitting next to them. 100% of your donation will go to help defray expenses in sending our youth to this amazing event!

## HOPE Indoor Worship During Covid

1. Masks will be required, regardless of Covid vaccination status.
2. Over the last year plus we were served very well by having a matrix that our wonderful 'Covid subcommittee' put together. Similarly, we are going to follow a matrix by St. Croix County for our mask wearing recommendation.
  - o Follow: <https://infogram.com/st-croix-county-covid-19-dashboard-1h9j6qggxzn754g?live>
  - o See the "Current Level of Community Transmission" rate near the bottom of that page.
  - o Follow the "fully vaccinated" line.
  - o As of last week, we are still in the "High" category.
3. Anyone who is not vaccinated, though eligible, we kindly ask to worship from home for now. Our services will continue to be broadcast via YouTube. We believe this is the safest path for children and other high risk groups.
  - o We will never ask about vaccination status.
4. If you are having any Covid style symptoms we kindly ask you to worship from home that week.
5. No registration will be needed to attend service.
6. We ask that you follow spacing guidelines within the church. 6ft between family units.
7. Singing will be allowed, while still masked.
  - o Worship leaders can choose for themselves whether to be masked or not.
  - o Congregation will be 12-15ft back from worship leaders.
  - o We may do less singing.
8. Service attendees will pick up communion elements when they arrive at service. Communion will be taken from your seats.
9. The Property Ministry will be setting up an air quality check inside the church.
10. We will address Christmas services as we get closer to Christmas.
11. This process will continually be assessed by Council. If you have comments, please contact anyone on the Executive Committee: Keith Getschel, Ryan Brill, Alyssa Boock, and/or Ryan Leitch.
