Among Friends - The new social respite program for older adults with memory loss or physical frailties welcomes you to an introduction and information gathering to learn more about the program and volunteer opportunities to serve. Among Friends will start up in September at First Congregational Church, offering a weekday with older adults so their family caretakers might have personal time for errands and enjoyment. Among Friends leaders will meet informally with everyone interested, to explain the program and what volunteers might be doing. Many have already expressed interest in volunteering—this is your opportunity to learn more about participating in this exciting initiative serving all of Pierce County! **We'll meet in the Fellowship Hall at First Congregational Church on Monday, June 19, from 6:30-8:00 pm and Tuesday, June 20, from 1:30 to 3:00 pm.** Hope to see you there!

Our Northwest Synod of Wisconsin provides encouragement and leadership to 200 congregations in our synod, and HOPE is one of them. Synod leaders have a deep desire to continue to serve in mission and ministry in new and different ways in these changing times. After a process of prayerful discernment the synod has embarked upon a three-year, \$1.2 million dollar appeal to make possible the furthering of the gospel message. There are ways that we can be supportive of this appeal. Watch for additional information in the weeks to come.
