Wednesday, June 28 is Lego Day at HOPE Lutheran!

Join us in the afternoon and help us assemble the 4' by 4' "Luther Rose" out of Legos. We will have all of the pieces necessary to accomplish the task but can't do it without your participation. With this being the 500th anniversary of the Reformation, we will begin sharing fun and important facts about the Reformation and all things *Lutheran*. We'll start by earning about the Luther Rose.

A Capital Campaign for the Northwest Synod of Wisconsin

We are a part of a synod that seeks to continue to grow synod-wide ministries as well as reach out in new ways. Prayerfully consider being a part of our synod's three-year campaign. There are six areas that are targeted for continued support or growth. One area is "Walking Together." Members of HOPE have been a part of this excellent day of learning. Congregations of this synod prepare and facilitate different workshops sharing their best practices, and engaging those who attend in rich conversations. A gift to the synod's capital campaign will provide funds to continue "Walking Together" in even broader and better ways.

Thanks to all who helped make Teresa's surprise party a success. You either helped set up, you prepared food, you helped clean up, or you attended and shared the joy of knowing Teresa and having her family's presence at HOPE and in the community. We will miss them when they make their move back home to Kentucky, but we send them with God's blessings. Thank you!

On Sunday we celebrated the one-year anniversary of HOPE's dedication. It was wonderful to come together and share memories of HOPE's journey. We include a special word of thanks to Kathy and Larry Haukos who were with us and presented a gift to HOPE on behalf of Eidskog Lutheran. We are grateful for God's blessing of bringing our two congregations together to continue in mission and ministry, doing God's work with our hands.

*There once was a little country church,
It stood for 130 years.
There was always joy and laughter
But sometimes there were tears.*

*The windows were our pride and joy
As the sun through them did show.
The colors were amazing
And gave a beautiful glow.*

*At night, they glowed from deep within
When people filled the pews.
And sang and praised the Lord in love
As all good Lutherans do.*

*The time had come to say goodbye
Our Eidskog church was closed.
The walls came down, the pews were gone,
The music now transposed.*

*The glass through which the light did shine
Is now repurposed here.
May your church grow in faith and love
As Eidskog did for many years.*
