Some people have not be able to open the link to TW@HOPE when they receive the email from HOPE"s office. If this happens to you, copy the web site from this email and paste it into your browser. It is our hope that we can iron out the wrinkles that sometimes keep the link from being an active one.

Thanks. The Communication Ministry.

A Capital Campaign for the Northwest Synod of Wisconsin

The capital campaign initiated by our synod seeks to keep us moving forward in faith. To do that the three-year appeal invites us (people of HOPE) to participate in ways that are meaningful to us, individually and corporately.

Recently we shared the need for funds that will help the event, "Walking Together" continue to make an impact for this synod and its congregations. Another area of need that this appeal supports is the **financial health of seminary graduates**. As we know, educations costs are high and seminary is no different. Graduates often have financial debt that unduly occupies their time and energy. We can assist them in having the freedom to pursue God's call and share the good news of God's love by contributing to a synod-managed fund of educational debt reduction.

If you so choose, a gift to the synod's capital campaign can help provide funds for debt reduction for new seminary graduates. Prayerfully consider being a part of our synod's three-year campaign.
