A Capital Campaign for the Northwest Synod of Wisconsin

The capital campaign initiated by our synod seeks to keep us moving forward in faith. To do that the three-year appeal invites us (people of HOPE) to participate in ways that are meaningful to us, individually and corporately.

Recently we shared the need for funds that will help the event, **"Walking Together"** continue to make an impact for this synod and its congregations. This appeal also supports is the **financial health of seminary graduates**.

Another area of growth for the synod is the establishment of an **endowed fund**. With such a fund rostered and lay leaders can access leadership development grants. These grants can be used for a variety of training and educational opportunities, intended to better prepare and equip rostered leaders to lead their communities of faith as they live out God's transformational Word in the world. Through empowering those in leadership throughout our synod we can more effectively proclaim Jesus' message of love and reconciliation to the world.

Prayerfully consider being a part of our synod's three-year campaign.
