A Capital Campaign for the Northwest Synod of Wisconsin

The capital campaign initiated by our synod seeks to keep us moving forward in faith. To do that the three-year appeal invites us (people of HOPE) to participate in ways that are meaningful to us, individually and corporately.

Recently we shared the need for funds that will help the amazing event called “Walking Together” continue to make an impact for this synod and its congregations. This appeal also supports is the financial health of seminary graduates.

Through the synod we already participate in ministry with our partners in Malawi. Choosing to continue support our brothers and sisters in Malawi makes the relationship strong. There is much we can learn from one another and perhaps there will come a day when we will meet face-to-face. Prayerfully consider being a part of our synod's three-year campaign.
