GOD'S GOOD CREATION at HOPE
VBS August 13 - 16

We look forward to gathering together Monday, August 13 - Thursday the 16th for a time of discovering new things about God's good creation and ourselves. With creation as a theme we will have live animals on site. We will also be receiving a daily offering which will be directed to God's Global Barnyard. Participants of **God's Good Creation** will help determine what animals will be purchased for a family in need.

Children who have completed **K- 5th grade** are invited to join us for this time of faith formation. We will meet at HOPE in the morning from 9:00 - 11:15. If you are in need of help with transportation, please contact us for arrangements.

Registration sheets are available at HOPE, as well as on HOPE's web site. **God's Good Creation at HOPE** is our gift to you and the community so no fee is charged. Please return your registration forms as soon as you can so we can plan accordingly.

This is a wonderful opportunity to invite friends and neighbors to join you.

HOPE HELPS SPONSOR AUGUST FREE SCHOOL SUPPLY EVENT

It's time again to make plans for helping 300 to 400 students prepare to start school with the proper school supplies and new tennis shoes. The event is held on August 6th and August 7th at the First Congregational church.

HOPE members have two opportunities to participate: Purchase items in need as listed on the poster at HOPE and leave them in the container at entry area of HOPE or at First Congregational church by 10 a.m. on Monday, August 6th; Sign up to help with the organization of supplies and the distribution to students. We need to have 3 members help on Monday morning, 3 to help with distribution Monday afternoon and 3 for Tuesday morning.

Your support is needed to make this annual event a success again. This is a community effort that assists families in financial need. If you have questions, contact Dick Jackson (member of HOPE's Mission Ministry, a sponsor) at 651-269-3791 or rljacksn@comcast.net.

Sign-up sheets will be on the table at HOPE. This is a fun activity working with other River Falls citizens and helping students individually to find their needed supplies and shoes for the next school year.
