HOPE LUTHERAN
Hope Journeys Forward

Hello, HOPE Lutheran!

My name is Pastor Erin Koster and I will be filling in for Pastor Annie on Sunday, June 13.

A bit about me before we meet: I attended seminary at the Lutheran School of Theology at Chicago, where I earned my Master of Divinity in 2016.

For three years, I served as pastor at United Lutheran Church in Prairie Farm, WI. Now, I am taking time off from parish ministry to stay home with my two small children. I am looking forward to stepping back into the pulpit and meeting you!

FOR YOUR SEASON OF PENTECOST LISTENING PLEASURE

Many of you have shared how much you've enjoyed music playlists in previous seasons. Here is a new one for the Season of Pentecost (which, yes, is the longest season of the church year). Check it out while your working at the office, home office, out on a walk, or working in the garden. You can access spotify for free with adds, or you can pay for a subscription. If you want to listen on a non-computer device, simply download the Spotify app!

PENTECOST PLAYLIST

May your listening time prove to be a time of devotion and renewal.

Winds of the Spirit Windscreens

Windscreens have been ordered for Winds of the Spirit outdoor worship. We expect installation sometime in July 2021. These screens will help with wind, sun and rain during the year.

Please consider supporting this project with a generous donation.

REMINDER: WELCOME BACK TO IN-PERSON WORSHIP!

We are excited to be gathered together again for in-person outdoor worship. A wonderful and committed team of volunteers has developed guidelines and procedures for keeping us safe as we make this transition!. **Here are a 2 important reminders:**

1. Wearing masks is still required BOTH INDOORS AND OUTDOORS for all attendees over 5 years old regardless of vaccination status. This is so those who are vaccinated can now sing (whoo hoo!) Masks should completely cover the nose and mouth and fit snugly against the sides of the face without gaps. Please be mindful that there are still others who have not been or cannot yet be vaccinated (especially our children and youth who we would like to model safety for). Please be guided by our call to love our neighbor as we reunite in person.
2. Please remember to still practice physical distancing of 6 feet between family units.

To aid us in keeping everyone safe and to help us to prepare for worship, **we ask that you please pre-register if you plan to join us for worship**.You can do so at this link:

June 13th Sunday Worship Registration

Please note: there are spots for worship volunteers! If you have already signed up to help, or if you are interested in helping in this way, please make sure to register under that slot. There is no need to sign up for both a worship volunteer position AND as a worshipper.

We understand many of you may not feel comfortable returning yet, and that is okay! We also celebrate a number of people who join us for worship from various locations! We will continue to livestream our worship service on the **HOPE YouTube Channel** each Sunday at 9:30. **Please bear with us in these first few weeks as we make the shift to worshipping and broadcasting from outside!**

Thank you for your patience, understanding, and flexibility during this time!

WORSHIP VOLUNTEERS!

Check out **THIS GOOGLE DOC** to sign-up to help!

If you are interested in helping to make our Sunday LIVESTREAM worship possible, we'd love to incorporate your gifts! Pastor Annie is still looking for

1. readers/prayer leaders for upcoming weeks
2. additional ushers for resuming in-person worship
3. Those willing to learn the A/V technology!

A message from the Property Committee

The sprinkler system is in and functioning around the grounds of Hope. Please be cautious and aware of sprinkler heads when working in yard and contact Doug and Susie Rudesill prior to digging. If interested in how they work and where they are located, Property Committee can give a demonstration
