## STILL LOOKING FOR VOLUNTEERS!

Rock the Block is a community wide effort to rebuild and refresh River Town Homes, a low-income housing community in River Falls.

Habitat for Humanity) need hundreds of people to help build new storage sheds for each home, refresh the green space in the middle of the neighborhood, and add new, accessible playground equipment, park benches, picnic tables and landscaping.

This five day project will be on site Wednesday, September 22 – Sunday, September 26. A wrap up thank you event will take place Sunday afternoon, September 26 (we'll fill you in on those details soon).

You have hopefully seen Nancy Sailer's request for landscape help in This Week at Hope (see your email!), but there are LOTS of additional ways to participate that weekend! If you would like to volunteer go to: https://www.signupgenius.com/go/10c0d4da9a922a5f4c25-rock
All volunteers need to be 16+ (16 & 17 year olds can participate as long as an adult is with them). This is a great way to join with our community and help a wonderful organization, especially if you missed out on our Saturday events this summer

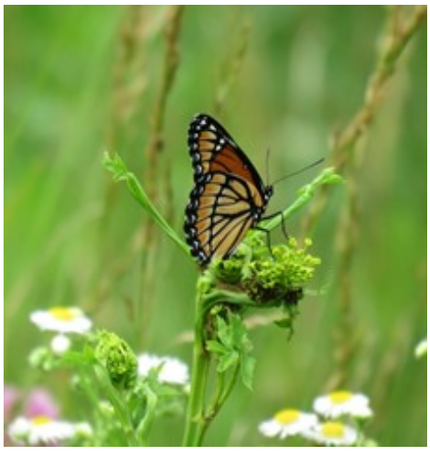
Noisy Offering Sunday



## From the HOPE Green Team
## NOISY OFFERING ALERT!!

During the month of September, HOPE has been observing the Season of Creation. As described on the ELCA website, *"The season, which begins with the World Day of Prayer for the Care of Creation, is a time to join with the global Christian community in renewing, repairing and restoring commitments to God, to one another and to all of creation."*
We hope that the prayers, music, spoken words, and activities that are part of our worship time together this month, stimulate reflection on your own personal perspective and appreciation of our natural world, as well as our communal responsibility as God's people of HOPE to respect and care for our earth and all life.

This Sunday, we have an opportunity to take a rather simple step forward as a congregation toward a more sustainable role as energy consumers. There will be a **noisy offering** that will go toward purchasing Renewable Energy Blocks (REB) for HOPE from the River Falls Municipal Utility. Purchasing just 1 REB replaces the burning of 1 ton of coal for a year, and 1 REB costs only $2.00/month ($24.00/year). The more REB we purchase, the more coal we replace with renewable energy sources. So... bring your quarters, nickels, dimes and pennies this Sunday, and let's make some noise and reduce our HOPE carbon footprint!

## REINSTATING HOPE SMALL GROUPS!

Did you know that the word "liturgy" comes from Greek words that mean "public/lay" and "working." Our act of worship is dependent on the sharing of gifts of our whole community! The Worship Ministry Team is currently in the process of reinstating our HOPE Small Groups to assist with worship volunteer leadership. Groups have been restructured and leaders will be in contact with you shortly! Small groups will be assigned the worship tasks for 1-3 months for the year on a rotation. **Jobs to be filled by the small groups include: usher/greeter, communion prep, communion worship assistants, readers/prayer leader, acolyte (when indoor worship resumes), coffee fellowship hosts, and altar flowers.**

Group members can sign up for all positions using this link:

Checking out **THIS GOOGLE DOC** to sign-up to help!

In addition, we are hoping to expand our A/V tech team! If you are interested in helping to continue our Sunday LIVESTREAM worship please contact Ryan Brill (Brillry@gmail.com).

If you would like to serve as an Assisting Minister or share special music please contact Pastor Annie directly (hopelutheranpastor.rf@gmail.com).

## UPDATED HOPE COVID POLICY

*Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others*. (Philippians 2:3-4).

On the advice of our local county health departments and the CDC, due to both St. Croix and Pierce counties being in “High Transmission” levels, our Worship and Exec ministry teams have currently updated our policy for indoor gatherings at HOPE due to increased infection numbers caused by the Delta variant of Covid-19.

1. **We are now requiring masks for all indoor gatherings/meetings, regardless of vaccination status.** We hope this requirement will be for a limited time until infection numbers decrease and vaccination numbers increase. With the beginning of another school year, we are particularly concerned for the well being of our youngest members, those who cannot yet receive a vaccination. Masking will help prevent sharing viral loads with children as well as parents and caregivers of little ones. It will also better serve those among us who are immunocompromised.
2. **Masking is not required for our outdoor gatherings**, but please continue to honor social distancing by family unit.
3. **Pastor Annie strongly encourages everyone who is eligible to do so, to receive a vaccine.**
    a. Contact your family health provider for free vaccination for anyone 12+ **OR**
    b. In St. Croix County: Vaccination clinics are held every Wednesday from 1-3PM at the St. Croix County service center in New Richmond, for everyone 12 and up. More info **HERE**
    c. In Pierce County: Anyone 18+ who lives, works, or studies in WI is eligible. Appointments are at the Pierce County Public Health Department. You can schedule a vaccination **HERE**

We acknowledge these steps are inconvenient and feel like a step back from some of the progress we made! Unfortunately it is a necessary inconvenience at this time so that we can continue to gather safely in person and kick-off our children’s programming this fall as planned! We appreciate your patience, prayerfulness, and understanding.

## CURRENT WORSHIP PARTICIPATION GUIDELINES!

As of Sunday, June 20th, our worship protocols have been updated. Thank you to the ad-hoc Covid team and HOPE council for guiding this process.

1. Masks are no longer required if you are fully vaccinated, but remain optional.
2. We strongly encourage those who are not fully vaccinated to continue wearing a mask to worship.
3. Out of our desire to continue in-person worship as safely as possible we are following the WI Council of Churches advice to maintain 2/3 best practices (outdoors, distanced, masked):
    4. We will remain outdoors for worship throughout this summer
    5. We are emphasizing clearer 6 foot distancing guidelines.
    6. We encourage you to maintain distancing, particularly with unvaccinated people during any fellowship time following worship. If you see someone wearing a mask, please be considerate of their space.
7. You are NO LONGER REQUIRED TO PRE-REGISTER FOR WORSHIP
8. You DO NEED TO SIGN-IN WITH AN USHER AS YOU ENTER WORSHIP (this is to help avoiding passing sign-in books and to help us with attendance and worship preparation for future weeks)
9. We are continuing to pause any coffee fellowship, with the hopes of resuming it by August or September **based on our volunteer capacity to do so**.
10. We are still in need of worship volunteers to serve as ushers, readers, and communion preparers. Please consider sharing your gifts. We hope to resume our small group volunteer teams in August or September.

We understand many of you may still not feel comfortable returning yet, and that is okay! We also celebrate a number of people who join us for worship from various locations! We will continue to livestream our worship service on the **HOPE YouTube Channel** each Sunday at 9:30. **Please continue to bear with us as we deal with the impacts of weather on our technology! If you lose a stream, always check back for the next installment that day!**

Thank you for your patience, understanding, and flexibility during this time!
