

This Week at HOPE April 19, 2023

In honor of Earth Day (Saturday, April 22), I wanted to highlight a lesser-known movement in the ELCA, *Lutherans Restoring Creation* (LRC).

As their website states, “Lutherans Restoring Creation is a grassroots movement promoting care for creation in the Evangelical Lutheran Church in America. We accomplish this by cultivating a community of dedicated stewards of earth and neighbor who proclaim God’s promise of hope and healing for all.” The movement grew out of a long history of Lutheran concern for the environment, going as far back as 1993 in the ELCA with the Social Statement “Caring for Creation: Vision, Hope, and Justice.” The statement, which we studied last summer, explains the ELCA’s teachings on ecology and the environment, grounded in a biblical vision of God’s intention for the healing and wholeness of creation. You can find that statement [HERE](#).

LRC expands on the work of our predecessors to provide a variety of initiatives, suggestions, resources, and networking opportunities to empower institutions of the ELCA to move forward in our call to creation care. By lifting up our care of creation, we just might discover a deeper relationship with the very One who made that creation! LRC seeks to engage this work as a response to the grace of God manifested throughout creation, in the person of Jesus, and in communion with the Holy Spirit – knowing that it is ultimately God’s creative and redemptive love for creation that prompts us and sustains us in this work.

LRC provides a number of resources to help us explore our faith through a creation-care lens. One annual resource they provide is a Creation Care focused worship service for Earth Day. You can find that full service [HERE](#). We will be utilizing a few elements of this service as we gather this Sunday, April 23rd. In addition, LRC provides a number of helpful personal devotional resources, tools for growing in your own sustainability work, and more. Take a moment to visit the website and see all the ways our siblings in Christ are uniting in care for creation. <https://lutheransrestoringcreation.org/>

And join HOPE on Saturday, April 22 from 12-4 at our EARTH FEST table! This is the 2nd year for Earth Fest in River Falls and it is gonna be a blast! We will be handing out paper bag kites for families to decorate and fly (weather permitting) to showcase the power of wind energy, to encourage outdoor play, and lift up our prayers of HOPE for God’s creation in our community! We are taking a **SPECIAL GREEN & NOISY OFFERING THIS SUNDAY** during worship to support the work of Hope 4 Creation’s “Earth Fest” as well!

So this week, find a way to practice this dimension of our discipleship!

Blessings as you care for our creation,

Pastor Annie Ladnier

Noisy Offering Alert!

It's time to start rounding up those pennies, nickels, dimes, and quarters!
This Sunday, April 23, we will have a GREEN AND NOISY offering to support Hope For Creation and help offset some of the costs of Earth Fest.

Green with

HOPE

From your Green Team

EARTH FEST!

Earth Fest - Saturday, April 22, 12-4 pm Glen Park (UWRF University Center Rain location) - HOPE will be represented at Earth Fest by the Green Team and other HOPE folks. We will be giving away paper bag kite kits (1 per family) to encourage exploration of earth friendly, outdoor family activities as part of a sustainable lifestyle. Kites can be assembled and flown at Earth Fest, and again at our June 25 "Celebrate HOPE" event. Questions? See any member of the Green Team - Dan or Jan Malaney, Sue Schuettpelz, Lynda Meyers, Bill Montgomery, or Pastor Annie.

* Have an interest in promoting sustainable actions to care and protect our Earth? We'd welcome you on our Green Team! See any GT member (listed above) to find out about our next meeting.

Our Neighbors' Place

Update from Our Neighbors' Place:

- 1) We are featured as a Target Circle giving partner this quarter (April, May, June). Many people don't know this but when you shop with Target Circle, you earn votes to vote for nonprofits. So you can vote for us - and whatever percentage of the votes we get, we earn that percentage of the pool of money Target has to donate to community resources in the area.
- 2) We are doing a Clothing Swap for Earth Fest (in partnership with Wiley's Wardrobe). Bring 1-2 gently used adult clothing items to swap. 12-4pm on Sat, April 22 at Glen Park Pavilion.
- 3) We are hosting a BOGO Thrift Store Tour in River Falls. 4 participating stores are: The Closet (at Our Neighbors' Place); Second Chances; Treasures of the Heart; Second Star. Coupons are available at all 4 stores and the BOGO is good on clothing/apparel items. Sale goes through April 30th.
- 4) GiveBIG St Croix is a day of online giving (Tue, April 25th). Go to www.givebigscv.org - and search for Our Neighbors' Place. The Give Big website features local nonprofits and offers the public a way to support us as we continue our work in the St Croix Valley. There are prize dollars available for us to win - so every donation counts. Early giving is encouraged as well if people can't visit the site on April 25.
- 5) Thu, May 11th will be Our Neighbors' Day at 122 West Johnson Street from 10am-7pm. Featuring an open house, tours, a freewill donation yard sale, and a free meal from 4-6pm). We'll send a flier if the church can help us spread the word.

I think that's it :) Please let me know if you have any questions.

Thanks for helping us spread the word!

Shelly

"Black Tie Affair"

Our Neighbor's Place asks you to skip this imaginary "Black Tie Affair"
Stay home & donate what you would spend on tickets, fancy clothes, and dinner
to the **Our Neighbors' Place Backpack Program!**
Your contribution can start feeding hungry children in River Falls immediately!
Please help us feed hungry children.

The backpack program meets the needs of children who may go hungry on weekends during the school year. Weekly backpacks contain 7-9 pounds of non-perishable food and vouchers for milk, meat, produce, bread and eggs.

Typically, we distribute to an average of 80 students per week - however for the **2022-23 school year, we have seen enrollment jump to 120 students per week.**

The program is 100% operated by volunteers - it takes about 30 volunteers a month for the program to run smoothly. In partnership with the River Falls Lions Club, we offer a summer backpack program when school is not in session.

Please join us as we work to provide for our most vulnerable neighbors - our youth!

A NEW GIVING OPPORTUNITY: THE HOPE MUSICIAN'S FUND

Do you LOVE the musical offerings here at HOPE?

Are you grateful for the gift of our fantastic Sunday pianists?

Would you love to see additional musical ensembles and guests join us?

Has music in worship been an important dimension of your spiritual life?

If you've answered YES to any of these questions, you may want to live into God's call toward generosity by giving a gift to our NEW "HOPE Musician's Fund."

HOPE now pays our Sunday musicians a fair wage for their work, rather than expecting this on a volunteer basis. This expense emerged as a need mid-budget year, and so this fund will help meet this financial need and hopefully provide seed money to fund these positions in the 2023 budget year. In addition, our hope is for this fund to be used in the future to bring in special musical guests and ensembles in the months and years ahead!

Please prayerfully consider giving a special Christmas Seed Gift to this important ministry
as you are able!

First Sunday of the Month Special Collections

The River Falls School District has 112 children signed up for the Backpack Program this year. This program falls under the auspices of Our Neighbors' Place and is primarily funded by The Black Tie Affair held every April and donations. It does not receive any help from the River Falls Food Pantry.

Therefore, the Mission Ministry through HOPE would like to start collecting donations for the Backpack Program on the first Sunday of each month alternating with the Food Pantry.

The Magic Box works in the same manner as for the Food Pantry, whereas each dollar magically will have \$5 of purchasing power. The next opportunity will be November 6, when your generous donations will support the Backpack Program.

First Sunday of the Month Special Collections Schedule
