WEEKLY WORD: Get Ready for Lent! By Pastor Annie Ladnier

Lent was originally a season for new converts to learn and prepare for their baptism on Easter. During that time, they would study what was central to Christianity. This series was created after asking, “what are the core, foundational concepts of Jesus’ life and ministry? What makes each of these good news? Can we trust that the good news is truly good, even when it challenges us?”

If we're being honest, we can easily distort or sanitize Jesus' teachings. Following Jesus leads to a richer, more expansive life, but it's not necessarily comfortable. We often describe Jesus' ministry as “radical” which comes from the Latin word “radicalis,” meaning “root” or “ground.” Therefore, the good news should bring us back to our roots, back to what grounds us: loving our neighbor, caring for the vulnerable, pursuing justice and mercy, and resting in God's unending grace.

The good news is extravagant, untamed, illogical, and persistent. It is joyful—like fine wine saved for celebration. It grows like a mustard seed that flourishes rapidly into a tree to shelter the birds. It smells like expensive perfume poured from an alabaster jar and like crumbling bread passed endlessly through a hungry crowd. It sounds like children laughing and like stones dropped to the ground instead of violently thrown. It feels like feet washed with tender care. The good news is alive in the world.

My hope is for this series to provide fertile ground for conversation and worship, rooting our hearts and lives in the expansive goodness of God. This Lent, may the teachings of Jesus lead us forward. Let the good news ground us. And let that good news inspire us to take action in a world desperate to hear, see, and taste what is good!
