Weekly Word

From the Desk of Pastor Rachel

Neighbor to Neighbor
Field Trip Worship

One of the things that we are really excited about at confirmation this year is going on field trips to experience other faithful spaces. This is an opportunity for our faithful students, families, and honestly anyone who wants to come, to explore worship in different contexts, cultures, languages, and possibly even faith traditions.
First in this series is Neighbor To Neighbor, which is a ministry of our NWSWI hosted by Deacon Lidixe Montoya at Immanuel Lutheran on the First Sunday of every month. Bishop Martin made it clear that Neighbor to Neighbor is excited and happy to host anyone curious about that ministry and immerse themselves in a Spanish Language worship service.
As a Lutheran worship in a different language, this fits the bill for exploring worship in a new way, all while meeting some other faithful Lutherans, experiencing wonderful hosts, and getting a great tamale meal out of it.

If you plan on going, just let me know in advance so we can look for you in Eau Claire or carpool together from HOPE.

Hope Gardeners!

A location has been established where you can place your plant material waste when you remove it from the Hope Garden. It is directly south of the large Cottonwood tree (see map below). Please place your herbaceous plant material here. Woody material can be placed on the brush pile. Please don't dispose of either in the wetland just west of the garden. Thanks! From your Property and Green Teams.
